

Voice of Love

Kalee Hric

Oo-Oo-OooOo-Oo-Ooo
I hear a voice I hear a voice crying in the wilderness
I hear a voice, I think it's mineI think it's mine
And I'm still cryingAnd I'm still cryingOo-Oo-OooI hear a voiceI hear a voice...still, small and intimate
I hear a voice, I know it's YoursI know it's Yours
I've heard You beforeWhisper my nameOo-Oo-OooVoice of loveVoice of love
I hear YouI hear YouI hear You
Voice of loveVoice of loveIf it wasn't for that still small voice
I'd still be hearing way too much noise
And I'm so glad I listened
To think of what I'd be missin
If I didn't hear Youhear Youhear YouVoice of loveI hear a voice saying dry your eyes
Theres no reason for you to cry
And it would be such a shame
If I wasnt listening
When You whispered my nameWhispered my nameVoice of loveVoice of love
I hear YouI hear YouI hear You
Voice of loveVoice of loveI hear a voice like a song
I hear a voice from HeavenI hear Your voiceI hear Your voiceI hear Your voice of love
Voice of Love...Oo-Oo-Ooo
