Enemy

Like a Storm

Advisory - the following lyrics contain explicit language:

You've become the enemy
You've become the enemyPeople always say
That nothing lasts forever
I never thought the day would come
When you would turn on me
I can't be the savior
Holding this together
I can't be the lifeline
When you will be the death of meYou've become the enemy
You won't be the end of me
You've become the enemy
Stole my soulIt's like you died before you were born
You're like Jesus Christ
With devil's horns
Sucking me down in your black hole
Give back the life, the life you stoleDrowning in a sea of
Self-annhilation
I threw you a rope
When you were calling out to me
But I can't be the savior
Holding this together
I can't be the lifeline
When you will be the death of me(Hey! Hey!)
You've become the enemy
Stole my soulIt's like you died before you were born
You're like Jesus Christ
With devil's horns
Sucking me down in your black hole
Give back the life, the life you stoleI always thought that you would be
The one who'd never turn on me
But through it all, now I see
You've become the enemyIt's like you died before you were born

You're like Jesus Christ
With devil's horns
Sucking me down in your black hole
Give back the life, the life, the life, the life you stoleYou've become the enemy
You won't be the end of me
You've become the enemy
Give back the life, the life you stole
