

Tim McGraw

Taylor Swift

He said the way my blue eyes shined
Put those Georgia stars to shame that night
I said: "That's a lie."
Just a boy in a Chevy truck
That had a tendency of gettin' stuck
On back roads at night
And I was right there beside him all summer long
And then the time we woke up to find that summer had gone
But when you think "Tim McGraw"
I hope you think my favorite song
The one we danced to all night long
The moon like a spotlight on the lake
When you think happiness
I hope you think "that little black dress"
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw
I hope you think of me
September saw a month of tears
And thankin' God that you weren't here
To see me like that
But in a box beneath my bed
Is a letter that you never read
From three summers back
It's hard not to find it all a little bitter sweet
And lookin' back on all of that, it's nice to believe
But when you think "Tim McGraw"
I hope you think my favorite song
The one we danced to all night long
The moon like a spotlight on the lake
When you think happiness
I hope you think "that little black dress"
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw
I hope you think of me
And I'm back for the first time since then
I'm standin' on your street
And there's a letter left on your doorstep
And the first thing that you'll read
Is when you think "Tim McGraw"
I hope you think my favorite song
Someday you'll turn your radio on
I hope it takes you back to that place

When you think happiness
I hope you think "that little black dress"
Think of my head on your chest
And my old faded blue jeans
When you think Tim McGraw
I hope you think of me Oh, think of me
Mmm You said the way my blue eyes shined
Put those Georgia stars to shame that night
I said, "That's a lie."
