## Can't Beat the Feeling

## **Kylie Minogue**

There doesn't have to be a reason There doesn't have to be a why And any moment could be magical It could be this nightYou've got an energy Burnin' like I've never seen Bringin' me to lifeAnd I can't beat the feeling that I get When I'm with you My heart plays a rhythm in my head I can't help but moveTwo people synchronized But the fire brings you closer, I've decided I can't beat the feeling that I get When I'm with youFeel the force of the reaction Let it take you on a ride And all resistance is illogical When your love slidesWe got an energy Fast revolving round our feet Bringin' us to lifeAnd I can't beat the feeling that I get When I'm with you My heart plays a rhythm in my head I can't help but moveTwo people synchronized But the fire brings you closer, I've decided I can't beat the feeling that I get When I'm with youWe've got an energy We've got an energy We've got an energy We've got an energyWe've got an energy We've got an energy We've got an energyWe've got an energy Burnin' like I've never seen We've got an energy Bringin' us to lifeAnd I can't beat the feeling that I get When I'm with you My heart plays a rhythm in my head I can't help but move Two people synchronized

But the fire brings you closer, I've decided I can't beat the feeling that I get
When I'm with youOoh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah
Ooh, ooh, ooh, yeah

Ooh, ooh, ooh, yeah
