Someday

Ledisi

Momma, I love you
Daddy, I love you too

Mama, when I was a little girl
I always thought about the things that you went through
I promised to myself that I would always be there
To take good care of you

I'd give you all other things
All the things that you never had
I knew that someday things were gonna change
And it was gonna get better

Someday, you'll see
That I'm gonna make you proud of me
Someday, you'll see
You'll never have to worry 'bout what you gonna do

Someday, you'll see
Gonna take good care of you, yeah
Someday, someday, someday, someday

Daddy, now that I found you in my world
I understand how hard it was for you
To try to grow up and be a man, yeah

I'm so glad that destiny followed through
And put you right here in front of me
And now you're here lovin' me
Teachin' me, growin' with me

Oh, someday, you'll see
That I'm gonna make you proud of me
Someday, you'll see
You'll never have to worry 'bout what you gonna do

Someday, you'll see
Gonna take good care of you, yeah
Someday, someday, someday, someday

I never wanted many things in life
Just the simple things
To love myself and be around my family

Oh, I'm enjoying the good things about life
And maybe someday I'll be a good wife, oh someday
Someday, someday, someday, someday

Now, look at me
Just smilin', laughin', feelin' joy, yeah
Oh, I'm receivin' love and givin' love
And I love it

Hey, ooh someday, yeah
I knew that things would change, yeah
Oh, I saw my comin' but I wasn't sure
But I kept holdin' on, yeah

Oh, yeah, someday
I wish I had the words to say it
Express how I'm feelin'
And I just don't know what else to say but

Hey, someday, someday, someday, yeah, oh
I don't know what else to say
But if you need me I'll be there right away
I don't know what else to say

I don't know what else to say
But if you need me I'll be there right away
I don't know what else to say
I don't know what else to say
