

Secret Agent

Robin Gibb

Secret

S-s-secret

Secret I grabbed my hat and I was walking in the rainy night

My world turned upside down

I heard the roaring of the engines of a DC-3

I'm Casablanca bound The stewardess was standin', starin' in a fashion

That could only take my breath away

The pilot's voice came on the intercom and told me

He was workin' for the C.I.A. Oh-oh-oh, oh-oh-oh, oh-oh-oh

And he's lost in a dangerous world

Ooh So keep on runnin' and runnin' in the black of night

Secret agent

Just keep on runnin' and runnin' at the speed of light

Secret agent Oh-oh-oh, oh-oh-oh, oh-oh-oh

Oh-oh-oh, oh-oh-oh, oh-oh-oh And three days later I was woken by a lady in black

She took my photograph

And in the safety of the shadows threw her camera down

The elevator shaft She ran and stumbled in the darkness of the empty streets

My job had just begun

And when I followed I was shaken by a blinding light

Didn't see the gun Oh-oh-oh, oh-oh-oh, oh-oh-oh

And he's lost in a dangerous world

Ooh So keep on runnin' and runnin' in the black of night

'Cause you're a secret agent

Just keep on runnin' and runnin' at the speed of light

'Cause you're a secret agent Oh-oh-oh, oh-oh-oh, oh-oh-oh

Oh-oh-oh, oh-oh-oh, oh-oh-oh Oh-oh-oh, oh-oh-oh

Secret agent

Oh-oh-oh, oh-oh-oh

Secret agent (agent, agent, agent, agent) Secret

S-s-secret

Secret Ah

Ooh

Look out!

Ha So keep on runnin' and runnin' till you get away

(Oh-oh-oh, oh-oh-oh)

You're a secret agent

They keep on comin', comin' at the break of day

(Oh-oh-oh, oh-oh-oh)

You're a secret agent So keep on runnin' and runnin' at the black of night
(Oh-oh-oh, oh-oh-oh)
You're a secret agent
Just keep on runnin', runnin' at the speed of light
(Oh-oh-oh, oh-oh-oh)
'Cause you're a secret agent You keep on runnin' and runnin', till the end of day
(Oh-oh-oh, oh-oh-oh)
'Cause you're a secret agent
You keep on runnin' and runnin', don't you turn away
(Oh-oh-oh, oh-oh-oh)
You're a secret agent
