

Things

The Early Years

I feel done
With everything that I want
Straightened out everything that I want
Tonight there are things that I couldn't do wrong
To get me high
Take me out
Take me out Sometimes it started
Things that I couldn't do wrong
Sometimes there are things that I couldn't do bad
And get me high
They get me high
Take me out
Take me out There's nothing more
Still fills up with more
And they get me high
They get me high
They get me high
They get me high
Things that I couldn't do wrong
They get me high
Take me out
