

# Daydream

[Rick Pino](#)

I daydream of your touch  
Just how close can I come?  
Face to face, Eye to eye  
Cheek to cheek, Heart to heart

To your chambers, Lord, I run  
In your house I find my home

I fall into your heart  
I fall into you arms  
You fragrance leaves me marked  
Daydreaming of your touch

In your arms I will stay  
In your gaze I'll remain  
I've daydreamed of being with you  
We'll live together, a dream come true
