

# L.A. Girl

## Adolescents

L.A. girl, take one We don't care, you say we're too young  
Waste our time tanning in the sun  
We don't care what you know or think  
Spoiled rich brat you ain't so neat L.A. girl, L.A. world  
Don't tell us how to act, don't tell us what to wear  
L.A. girl, L.A. world  
You didn't create our scene We don't care  
We can't see why  
We don't live our lives  
To keep you satisfied Stuck in your world of dreams again  
My life starts where your life ends  
You've burned out your battery has died  
If it wasn't for O.C. your scene alive L.A. girl, L.A. world  
Don't tell us how to act, don't tell us what to wear  
L.A. girl, L.A. world  
You didn't create our scene We don't care if you say we're too young  
Waste our time tanning in the sun  
We don't care what you know or think  
Spoiled rich brat you ain't so neat L.A. girl, L.A. world  
Don't tell us how to act, don't tell us what to wear  
L.A. girl, L.A. world  
You didn't create our scene I'm bored of sleazy make-up  
You'd fuck any guy in town, your life's a total mess-up  
Why the hell do you hang around  
L.A. girl you bring me down L.A. girl, L.A. world  
Don't tell us how to act  
Don't tell us what to wear  
L.A. girl, L.A. world
