

# September When It Comes (Featuring Johnny Cash)

## Rosanne Cash

There's a cross above the baby's bed,  
A Savior in her dreams.  
But she was not delivered then,  
And the baby became me.  
There's a light inside the darkened room,  
A footstep on the stair.  
A door that I forever close,  
To leave those memories there. So when the shadows link them,  
Into an evening sun.  
Well first there's summer, then I'll let you in.  
September when it comes. I plan to crawl outside these walls,  
Close my eyes and see.  
And fall into the heart and arms, Of those who wait for me.  
I cannot move a mountain now  
I can no longer run.  
I cannot be who I was then  
In a way, I never was. I watch the clouds go sailing  
I watch the clock and sun.  
Oh, I watch myself, depending on,  
September when it comes. So when the shadows link them,  
And burn away the clouds.  
They will fly me, like an angel,  
To a place where I can rest.  
When this begins, I'll let you know,  
September when it comes.
