Freak Me (C&J Radio Edit)

Another Level

Let me lick you up and down till you say stop,
Let me play with your body, baby, make you real hot
Let me do all the things you want me to do
'Cause tonight, baby, I wanna get freaky with youBaby, don't you understand, I wanna be your nasty man
I wanna make your body scream then you will know just what I mean
Twenty four karat gold, don't want the night to grow cold
I wanna lick you up and down and then I wanna lay you down
Come on I'm so excitedLet me lick you up and down till you say stop,
Let me play with your body baby, make you real hot
Let me do all the things you want me to do
'Cause tonight, baby, I wanna get freaky with youI love the taste of whipped cream, Spread it on top of me
You know I can't resist you, girl,I'll fly you all around the world
I wanna see your body drip, Come on, let me take a sip
To calm what you cherish the most
'Cause we're not about to brag or boastLet me lick you up and down till you say stop
Let me play with your body baby, make you real hot
Let me do all the things you want me to do
'Cause tonight, baby, I wanna get freaky with youLet me lick you up and down till you say stop
Let me play with your body baby, make you real hot
Let me do all the things you want me to do
'Cause tonight, baby, I wanna get freaky with youLet me lick you up and down till you say stop
Let me play with your body baby, make you real hot
Let me do all the things you want me to do
'Cause tonight, baby, I wanna get freaky with you
