Iâ€™m Not Dead Yet

For All Those Sleeping

Slow down my chest can't keep up
With the rate that you're moving
Now were movingDeeper and deeper
Now were falling
Faster and faster
There's nothing leftPlease wake me
Because this surely can't be happening
But the touch is so real
The touch is so real
Your eyes speak so clearly
I heard every word you said
Your words are so deadly
But I'm not dead yetYou can't seem to hide
What's inside.
You can't seem to hide
What's inside.Deeper and deeper
Now were falling
Faster and faster
There's nothing leftPlease wake me
Because this surely can't be happening
But the touch is so real
The touch is so real
Your eyes speak so clearly
I heard every word you said
Your words are so deadly
But I'm not dead yetLets shake things up.
Lets shake things up.Please wake me
Because this surely can't be happening
But the touch is so real
The touch is soPlease wake me
Because this surely can't be happening
But the touch is so real
The touch is so real
Your eyes speak so clearly
I heard every word you said
Your words are so deadly
But I'm not dead yet
