

# I'm Not Dead Yet

## For All Those Sleeping

Slow down my chest can't keep up  
With the rate that you're moving  
Now we're moving Deeper and deeper  
Now we're falling  
Faster and faster  
There's nothing left Please wake me  
Because this surely can't be happening  
But the touch is so real  
The touch is so real  
Your eyes speak so clearly  
I heard every word you said  
Your words are so deadly  
But I'm not dead yet You can't seem to hide  
What's inside.  
You can't seem to hide  
What's inside. Deeper and deeper  
Now we're falling  
Faster and faster  
There's nothing left Please wake me  
Because this surely can't be happening  
But the touch is so real  
The touch is so real  
Your eyes speak so clearly  
I heard every word you said  
Your words are so deadly  
But I'm not dead yet Lets shake things up.  
Lets shake things up. Please wake me  
Because this surely can't be happening  
But the touch is so real  
The touch is so Please wake me  
Because this surely can't be happening  
But the touch is so real  
The touch is so real  
Your eyes speak so clearly  
I heard every word you said  
Your words are so deadly  
But I'm not dead yet
