Twenty Second Hour

Delmag

All done I dont have the answers
I dont have the friendships
That I thought I would
Here are all my secret stories
All my head unworryies(?) but it wont take longWell you say will never be the first time
Almost seems like made up always on your side
Lately Iv been drawing pictures
Iv been watching you close underneath my eyes
For you something familiar twenty second hour
Iv been losing mine
For you something familiar twenty second hour
Iv been losing timePlanted(?) turns out im surrounded
Why didn't you mention in a bout like this
Lately I'm still drawing pictures
I'm still watching you close underneath my eyesFor you something familiar twenty second hour
Iv been losing mine
For you something familiar twenty second hour
Iv been losing timeAll done I dont have the answers
I dont have the friendships
That I thought I would
Here are all my secret stories
All my head unworries(?) but it wont take long
For you something familiar twenty second hour
Iv been losing mine
For you something familiar twenty second hour
Iv been losing time
For you
