

Manic (Luca C Remix)

Azari & III

Desire in her eyes
Tells me that she wants me.
But then I realize,
She's a schizophrenic. Sophisticated, she's so -
She's a manic.
Overeducated,
She's manipulative. A nuclear reaction (a static situation)
Defying infraction (endless calculation)
A foul infatuation (an empty conversation)
A fatal attraction It's a manic - it's a manic world x 4 Successful informatic
Is trying to get his habit.
But underneath those lies,
He's a raging addict Incorporated, he's so -
He's a manic.
Overmotivated,
He's infiltrative. A frequent illusion (evasive sensation)
A mental inclusion (burning temptation)
The constant invasion (a final solution)
A state of confusion. It's a manic - it's a manic world x 4 She's schizophrenic (she's a manic)
In a manic world
He's just an addict (he's a addict)
In a manic world It's a manic world (It's a manic world)
It's a manic world
In a manic world
