Changed

Andrea Helms

Nobody can change it like a.
come on burn me
yes, He changed my life complete
and now I wanna seat, I wanna seat at His feet
come on now just what will do to do
what it's gotta be done
we're gonna join together in war
and will work, will work at you .
it's a wonderful chain
it's a beautiful change
it's come over me oh yes
and I'm gonna live with this.
that God can change you
you never too far from God .
you never too far from his mercy
can change you right where you stand yeah
now change, come on leave your hand if you change
see you don't walk the same
we don't talk the same, we dont' give the same
'cause we've been change by the power of his name
.what He did for em H e will do for you
I'm not what I wanna be
but thank God I'm about what I'm used to be
see I've been changed by the power of his Name
we've been changed from the inside out
come on leave your hand if you can change yeah
come on and givin prayers
Alleluia!
