Dream In Color

Bianca Ryan

Tired of living life in black and white
Theres so much in between
Like a rainbow in the sky
Waiting to be seenWhen I open my eyes to find inspiration
I search for the best I can see
If I settle for less
I wont be the best I can beWhen I dream, I dream in color
There is so much I want to discover
Somewhere I know there's a rainbow
Waiting for meLife is short, I've been taught
And time is a very precious thing
I wanna go where Ive never been
And see whats never been seenWhen I wake up each morning I wont take for granted
Therell always be another new day
Got to live for each moment
Never let time slip awayWhen I dream, I dream in color
There is so much I want to discover
Somewhere I know there's a rainbow
Waiting for meWhen my eyes are closed
I see where I want to go
I feel so awake and aliveWhen I plan to sleep
I still feel the beat with the heart
That's ready to fly, ready to flyWhen I dream, I dream in color
There is so much I want to discover
I'm just beginnin' to set myself free
Scream to me now the word I believeSomewhere I know there's a rainbow
Waiting for me
