

Suitcase and Atoms

[Elliott](#)

the citizens are looking quite the same but then again we are check the files and learn its not ok to go quite that far I guess well take it back assuming thats ok tenants took all the medical files I guess ill do the same assuming that this conversation will allow us to get by suitcase is all weve got suitcase and atoms allow us to get by suitcase and atoms are all weve got I guess well take it all not a trace of where you hide all the medical files to keep me in the straight assuming that this conversation allows us to get by suitcase is all weve got
