

# Treat Me Right (I'm Yours for Life)

Joss Stone

So you wanna get with me  
Say you got all I want  
Say you got all I need  
So you think that you're the one  
Who deserves my love But love takes respect and  
I will take nothing less  
If you don't know the rules  
I'll explain the rules to you Treat me right, I'm yours for life  
Treat me wrong, I'm gone  
Make it sweet, I'll never leave  
Make me cry, it's bye, bye  
Gotta be good to me, baby  
You gotta treat me right Gotta have a tender touch  
Make sure you give it all  
Make sure it gets enough  
You gotta make me wanna stay  
It's in your hands, baby I'll love you but first  
Show me you know what my love's worth  
If you don't know what to do  
Let me spell it out for you  
You better Treat me right, I'm yours for life  
Treat me wrong, I'm gone  
Make it sweet, I'll never leave  
Make me cry, it's bye, bye  
Gotta be good to me, baby  
You gotta treat me right Good to me, I'll be so good to you  
Love me right, I'll show you love that you never knew  
Do for me and there ain't nothing I won't do  
If you wanna play and escape you better know the rules There's some rules, baby  
You better know the rules Treat me right, I'm yours for life  
Treat me wrong, I'm gone  
Make it sweet, I'll never leave  
Make me cry, it's bye bye  
Gotta be good to me baby  
You gotta treat me right Treat me right, I'm yours for life  
Treat me wrong, I'm so gone  
Make it sweet, I'll never leave  
Make me cry, it's bye, bye  
Gotta be good to me, baby

You gotta treat me right Treat me right, I'm yours for life  
Treat me wrong, I'm so gone  
Make it sweet, I'll never leave  
Make me cry, it's bye, bye  
Gotta be good to me, baby  
You gotta treat me right You gotta, baby, you gotta treat me right  
Just treat me right
