

# With a Little Help from My Friends

Rita Lee

A little help from my friends  
What would you think if I sang out of tune  
Would you stand up and walk out on me  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key  
I get by with a little help from my friends  
I get high with a little help from my friends  
Going to try with a little help from my friends  
What do I do when my love is away  
(Does it worry you to be alone)  
How do I feel by the end of the day  
(Are you sad because you're on your own)  
No I get by with a little help from my friends  
Do you need anybody  
I need somebody to love  
Could it be anybody  
I want somebody to love  
Would you believe in a love at first sight  
Yes I'm certain that it happens all the time  
What do you see when you turn out the light  
I can't tell you, but I know it's mine  
Oh I get by with a little help from my friends  
Do you need anybody  
I just need somebody to love  
Could it be anybody  
I want somebody to love  
I get by with a little help from my friends  
Yes I get by with a little help from my friends  
With a little help from my friends
