Strong (feat. Wesley Finn Tucker)

Dropout

I left a kingdom and a queen behind and ventured out alone
I already miss those emerald eyes walking on my own
This black road has me walking blind, the darkness at my feet
I don't exactly have a plan in mind, just a path I hardly see

So don't say that you want me now
If you don't think I'm worth the fight
Just pray over me now
So I can make it through tonight
And wait for the day when I come running home where I belong
And meet me halfway with arms wide open
Remind me that I'm, I'm strong
I'm strong, I'm strong, I'm strong
I'm strong, I'm strong

If you just let me bend my [?] like a [?] will do
I'll give you all the honor you deserve and devote myself to you

So don't say that you want me now
If you don't think I'm worth the fight
Just pray over me now
So I can make it through tonight
And wait for the day when I come running home where I belong
And meet me halfway with arms wide open
Remind me that I'm, I'm strong
I'm strong, I'm strong, I'm strong
I'm strong, I'm strong

I'm strong, I'm strong
And wait for the day when I come running home where I belong
And meet me halfway with arms wide open
Remind me that I'm, I'm strong
I'm strong, I'm strong, I'm strong
