

Pushit

Tool

I saw the gap again today
While you were begging me to stay
Take care not to make me enter
If I do we both may disappear You know that I will choke until I swallow
Choke this infant here before me
What is this but my reflection?
Who am I to judge or strike you down? But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me You still love me
You still love me but you didn't need to shit on me
You still love me
You still love me but you didn't need to shit on me Rest your trigger on my finger
Bang my head upon the fault line
You'd better take care not to make me enter
'Cause if I do we both may disappear But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me
But you're pushing me shoving me You still love me, you still love me
She didn't mean to pushit on me.
You're pushing me shoving me
You're pushing me shoving me I'm slipping back into the gap again
I'm alive when you're touching me
Alive when you're shoving me down, hey But I'd trade it all for just a little peace of mind Pushit on me
Pushit on me
Pushit on me
Pushit on me
You're pushing and shoving and scrambling
Keep my feet flat on the ground I am somewhere I don't wanna be
Push me somewhere I don't wanna be
Put me somewhere I don't wanna be
Seeing someplace I don't wanna see
Never wanna see that place again Saw that gap again today
While you were begging me to stay
Managed to push myself away

And you, as well, my dear If when I say I might fade like a sigh if I stay
You minimize my movement anyway
I must persuade you another way Pushing and shovin'
Pushing and shoving, push at me!
There's no love in fear Staring down the hole again
Hands are on my back again
Surviving is my only friend
Terrified of what may come Remember I will always love you
As I claw your fucking throat away
It will end no other way
It will end no other way
