Little Girl

Bo Diddley

Little girl, I go home with you
Little girl, I go home with you
You know, pretty baby
Crazy about the things you doTell me, baby, tell me your name
You know pretty mama
You're beautiful thing
Little girl, can I go home with you?I like the way, the way you walk
Crazy 'bout the things, baby, you talk
Little girl, let me go home with youTell your mama, your papa, too
How much I love with you
Little girl, let me go home with youI asked, baby, 'bout twenty-one
You know pretty mama
We could have a lot of fun
Little girl, later, I go home with youYou asked, baby, 'bout twenty-two
I'd just like to make love to you
Well, little girl, can I go home with you?
