

# Stand

R.E.M.

Stand in the place where you live  
Now face North  
Think about direction, wonder why you haven't before  
Now stand in the place where you work  
Now face West, think about the place where you live  
Wonder why you haven't before If you are confused, check with the sun  
Carry a compass to help you along  
Your feet are going to be on the ground  
Your head is there to move you around So, stand in the place where you live  
Now face North  
Think about direction, wonder why you haven't before  
Now stand in the place where you work  
Now face West, think about the place where you live  
Wonder why you haven't before Your feet are going to be on the ground  
Your head is there to move you around  
If wishes were trees the trees would be falling  
Listen to reason  
Season is calling Stand in the place where you live  
Now face North  
Think about direction, wonder why you haven't before  
Now stand in the place where you work  
Now face West, think about the place where you live  
Wonder why you haven't before If wishes were trees the trees would be falling  
Listen to reason  
Reason is calling  
Your feet are going to be on the ground  
Your head is there to move you around So stand (stand)  
Now face North  
Think about direction, wonder why you haven't before  
Now stand (stand)  
Now face West  
Think about the place where you live  
Wonder why you haven't Stand in the place where you live  
Now face North  
Think about direction, wonder why you haven't before  
Now stand in the place where you work  
Now face West, think about the place where you live  
Wonder why you haven't before Stand in the place where you are (now face North)  
Stand in the place where you are (now face West)

Your feet are going to be on the ground (stand in the place where you are)  
Your head is there to move you around, so stand (tand in the place where you are)
