Greatest Day

Beverley Knight

Mmm, the greatest day, yeah
Gonna tell you
(Ah ooh oooh)
Ooh, yeah
Feelin' good now
It's a good thing the air feels cool today
And it's better that God don't send the rain
And it's best if heaven holds back the clouds
'Cos inside of me there's fire untamed
See, everyday I find a four leaf clover
Everyday Lady Luck is at my door
And all of the fear I fight is in remission
To come around no more
And I'm feelin' good
(Oh, really)
Never better
(Never better)
In fact, it's the greatest day of my life
(The greatest day, the greatest day)
And I'm feelin' good
(So good)
Never better
(Never better)
In fact, it's the greatest day of my life
It's a good thing your heater broke down today
And it's better you keep them drinks on ice
And it's best if you got them chills down in your soul
'Cos the heat inside of me will surely suffice, yeah
And none of the world's restraints could ever hold me
And none of the superficial could tie me down
And none of the pain I felt is enough to break me
See my face was never made to cry
And I'm feelin' good
(So good)
Never better
(Never better)
In fact, it's the greatest day of my life
(Mmm, the greatest day, the greatest day)
And I'm feelin' good

(Alright)
Never better
(Never better)
In fact, it's the greatest day of my life

Ow hey, hey, yeah, the greatest day
Come in, the sun is shining out
It's all good in my hood, yeah
Everybody happy, sun smilin'
So someone tell me what the day is today
Greatest day
And I'm feelin' good
(Ooh ooh, yeah)
Never better
(Never better, no)
In fact, it's the greatest day of my life
(Ooh, it's the greatest day)
And I'm feelin' good
(Hey, hey)
Never better
(Never better, no)
In fact, it's the greatest day of my life
(Whoah, whoah, greatest day, greatest day)
And I'm feelin' good
(Ooh ooh yeah)
Never better
(Mmm, never better, no, no)
In fact, it's the greatest day of my life
(Ooh, it's the greatest day of my life)
And I'm feelin' good
(Hey, hey)
Never better
(Never better, people)
In fact, it's the greatest day of my life
(Ooh, I'm feeling so good everything is alright)
Could you qualify that?
(Never better)
And what day is today people?
(The greatest day of my life ah ooh ooh)
(never better ooh)
And what day is it?
(Whoah oah, greatest day, greatest day, ah)
The greatest day
Feeling good, feeling better, feeling alright
Somebody stop the sun in the sky for me

(Ooh, somebody stop me)
