

# Have You Ever

Jaheim

Have you ever?  
Common  
Have you ever  
Think about it  
Have you ever  
Thought of what you did  
When you were a kid  
As you reminisce?  
Have you ever  
Thought about your life  
Thought you paid a price  
Casue it wasn't right?  
Have you ever  
Ever tell the truth but lied  
Held back when you shoulda cried  
Didn't say it when  
You shoulda said goodbye  
Meant something but didn't say  
Said something but didn't mean  
Seems like we all been through it  
Ever let the people get away  
Ever look back  
And wish you could get back  
How it was back in the day  
Ever had a girl  
You wouldn't budge  
Instead of telling them how much  
You'd be true with loving  
Have you ever ever  
Or am I the only one  
Tell me have you ever  
Looked back on the  
Things that you've done  
Have you ever  
Thought of what you did  
When you were a kid  
As you reminisce?  
Have you ever  
Thought about your life

Thought you paid a price  
Cause it wasn't right?  
Have you ever  
Been up in the club  
Bustin' over ne too many  
Double shots of hennergy  
Told you she was twenty-one  
You think maybe  
You and her leaving  
End up in a hotel suite bed  
Whoa, no glove  
Slipped up now you gettin' that love  
Next morning you wake up  
Feeling stupid, I have  
Have you ever been  
Caught up in a jam  
You and your man not thinking  
Make a quick decision  
Got the ooh wee in your hand  
Busted you be doing 20 plus fo' sure  
Drop it and run then the whole hood'll know  
Whoa, time passed  
Given that behind the three hit's glass  
Raise my sons the only thing he asked  
Have you ever, I have  
Have you ever ever  
Or am I the only one  
Tell me have you ever  
Looked back on the  
Things that you've done  
Have you ever  
Thought of what you did  
When you were a kid  
As you reminisce?  
Have you ever  
Thought about your life  
Thought you paid a price  
Cause it wasn't right?  
Have you ever
