

You're My Latest, My Greatest Inspiration

Teddy Pendergrass

I've been so many places
I've seen so many things
But none quite as lovely as you More beautiful than the Mona Lisa
Worth more than gold
And my eyes have the pleasure to behold You're my latest and my greatest
My latest, my greatest inspiration Things never looked clearer
Peace within never felt nearer
My burden's gone, it's turned into a song Tender as a baby's touch
I needed you, oh, so much
At last the load is so light You're the latest and my greatest
My latest, my greatest inspiration I plan to give you all that I have
I'll be everything, everything you think I am
You make life a joy to live
And I'm thankful, yes, I'm blessed just to know you I've been so many places
I've seen so many things
But none quite as delectable as you
More beautiful than the Mona Lisa
Worth more than gold
And my eyes have the pleasure just to behold You're my latest, tell you you're my greatest
My latest, my greatest inspiration
You inspire me, inspire me
Don't you know, my latest, my greatest inspiration You keep just keep on liftin' me up now
(Higher)
Mmm
(Higher)
You inspire me
I want you to keep liftin' me up
(Higher, higher) I want you to keep on liftin' me up
(Higher)
Alright
(Higher)
Alright See, you got me, you got me doin' things
(Higher)
I've never done before
(Higher)
See, you inspire me, you inspire me Don't you know I love you, girl
(Higher)

(Higher) Mmm, mmm, hmm

You, you, you
You keep on liftin' me
(Higher)
