Hello Mexico

Sparks The Rescue

I'm gonna walk straight down to the telephone wires,
Cause that's where your parents live,
We're gonna talk and get this shit out of our heads,
You know words are sedatives,
Speak loud,
Speak soft,
Speak anything you want,
Just don't use your tongue against me,

I'm feeling your blue skies
Through the overcast of clouds,
And I know that you're the weather now,

Oh Mexico,
Instead we're drinking margaritas in the snow,
As the world you know it slowly falls apart,

Oh my calico,
You know I said we go too fast,
To take it slow,
Is it hard with such a heavy heart,

I burn up like a chemical fire when I'm reacting to your touch,
We're gonna walk straight down to the rock coast,
And pray for the ocean waters to cover us,
Speak loud,
You're allowed to scream we're gonna get out of this town,
Is it hell,
No it's not hell when you're around,
It's not hell when you're around,

I'm feeling your blue skies,
Through the overcast of clouds,
I know that you're the weather now

Oh, Mexico,
Instead we're drinking margaritas in the snow,
As the world you know it slowly falls apart,

Oh my calico,

You know I said we go too fast,
To take it slow,
Is it hard with such a heavy heart?
Mexico,
Mexico,
Oh Mexico,
I'm saying hello,
Hello to Mexico,

Walkin' on the beach just holding your hand,
Pushing our feet into the sand,
Do it again I'll lock it tightly,
Givin' you lovin' nightly,
Faces of the saturn people,
Keep it coming Evil,
I've been,
Missing you again,

Oh Mexico,
Instead we're drinking margaritas in the snow,
As the world you know it slowly falls apart,

Oh my calico,
You know I said we go too fast,
To take it slow,
Is it hard with such a heavy heart,

Oh, la-la-la-la-la
Oh-la-la-la-la-la
Oh-la-la-la-la-oh
I'm saying hello,
Hello to Mexico
