

# Lessons Learned

## Matt Johnson

Just another lesson learned  
Wear a scar, a bore repeating  
Take a simple fateful turn  
Opened up to stop the bleeding  
Feeling like you never could  
Been the disconnected frying  
Hit the vein & struck nerve  
Seeing through a self that's blinding  
(Nowhere to buy in)  
(Most of us hiding)  
(Others are shining)  
You know when you find it  
In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all  
Just another lesson learned...

Just another brick you toss  
Stone the number one deceiver  
Multiply the added cost  
Easy to become a believer  
Feeling like you never could  
Been the disconnected frying  
Hit the vein & struck a nerve  
Seeing through a self that's blinding  
(Nowhere to buy in)  
(Most of us hiding)  
(Others are shining)  
You know when you find it  
In your darkest hour, you strike gold  
A thought clicks, not the be-all end-all  
Just another lesson learned...
