Breathless

Texas

All these bruises keep you awake
I guess I'm just too tired to sleep
God only knows I'm too lost to cry
For kissing liars has kept me trueI'll fall but I'll heal
So hold me tight 'cause I'm so lonely
I'll fall but I'll heal
So hold me tight 'cause I'm so lonelyHe hates so much his love he says
Inside it's dark I need to smile
He shouts so loud I never hear
That's why the truth's always abusedAs I slip into unconsciousness
I never felt so much to blameI'll fall but I'll heal
So hold me tight 'cause I'm so lonely
I'll fall but I'll heal
So hold me tight 'cause I'm so lonelyAs I slip into unconsciousness
I never felt so much to blameI'll fall but I'll heal
So hold me tight 'cause I'm so lonely
I'll fall but I'll heal
So hold me tight 'cause I'm so lonelyI'll fall but I'll heal
So hold me tight 'cause I'm so lonely
I'll fall but I'll heal
So hold me tight cause I'm so lonelyI'll fall
So hold me tight 'cause I'm so lonely
I'll fall
So hold me tight cause I'm so lonely
