Dream On

Christian Falk

Thugs and badmen
punks and lifers
locked up interns
pigs and snitchesRest your weary heads, all is wellYou won't be strip-searched, torn up tonight
you won't be cut up, bleeding tonight
you won't be strung out, cold, shaking to your bones
wishing you were anywhere else but right here
So dream onThieves and muggers
tricks and hustlers
cheats and traitors
scum and low-lives
Rest your weary heads, all is wellYou won't be sad or broken tonight
you won't be squealed on, ripped off tonight
you won't be back-stabbed, double cross, face down
teeth knocked out, lying in a gutter somewhere
So dream onSo dream onFreaks and junkies
fakes and phonies
drunks and cowards
manic preachersRest your weary heads, all is wellYou won't be pushed or messed with tonight
you won't be lied to, ruffed up tonight
You won't be insane, paranoid, obsessed
aimlessly wandering through the dark night
So dream on
So dream onYou won't be insane, paranoid, obsessed
aimlessly wandering through the dark nightSo dream on
