

# Dream On

Christian Falk

Thugs and badmen  
punks and lifers  
locked up interns  
pigs and snitches  
Rest your weary heads, all is well  
You won't be strip-searched, torn up tonight  
you won't be cut up, bleeding tonight  
you won't be strung out, cold, shaking to your bones  
wishing you were anywhere else but right here  
So dream on  
Thieves and muggers  
tricks and hustlers  
cheats and traitors  
scum and low-lives  
Rest your weary heads, all is well  
You won't be sad or broken tonight  
you won't be squealed on, ripped off tonight  
you won't be back-stabbed, double cross, face down  
teeth knocked out, lying in a gutter somewhere  
So dream on  
So dream on  
Freaks and junkies  
fakes and phonies  
drunks and cowards  
manic preachers  
Rest your weary heads, all is well  
You won't be pushed or messed with tonight  
you won't be lied to, ruffed up tonight  
You won't be insane, paranoid, obsessed  
aimlessly wandering through the dark night  
So dream on  
So dream on  
You won't be insane, paranoid, obsessed  
aimlessly wandering through the dark night  
So dream on
