

# Hey Elvis

## Billy Ray Cyrus

Hey Elvis, won't cha come back home?  
I left a message on your Code-A-Phone  
I tried to reach ya but I can't get through  
Hey Elvis, where the hell are you?  
Somebody saw you at the shoppin' mall  
Somebody said they heard that southern drawl  
Hey Elvis is it really true?  
We're all waitin' for a sign from you  
Everybody knows about your pink Cadillac  
Everybody's wonderin' when you're comin' back  
Everybody's waitin' just to hear ya sing  
Hey Elvis, you're still the King  
Hey Elvis, won't cha come back soon?  
Nobody's rockin' in the Jungle Room  
Come December don't know what we'll do  
Be a blue Christmas without you  
Everybody knows about your pink Cadillac  
Everybody's wonderin' when you're comin' back  
Everybody's waitin' just to hear ya sing  
Hey Elvis, you're still the king  
Vow yeah  
C'mon yeah  
'Love Me Tender', 'Don't be Cruel'  
'Return to Sender', 'Stuck on You'  
'It's Now or Never', 'Suspicious Minds'  
Hey Elvis, aren't ya lonesome tonight, yeah?  
Hey Elvis, can't ya see?  
They need you back in Memphis, Tennessee  
They're makin' records but there's nothin' new  
Nobody ever done it quite like you  
Everybody knows about your pink Cadillac  
Everybody's wonderin' when you're comin' back  
Everybody's waitin' just to hear ya sing  
Hey Elvis, oh  
Everybody knows about your "Lisa Marie"  
Everybody knows about TCB  
Everybody's waitin' just to hear you sing  
Hey Elvis, you're still the king, oh yeah  
Come back to Memphis, Elvis

You're still the king, oh yeah
