

# Take Your Time (OOVEE Remix)

[Sam Hunt](#)

I don't know if you were looking at me or not  
You probably smile like that all the time  
And I don't mean to bother you but  
I couldn't just walk by  
And not say hi And I know your name  
'Cause everybody in here knows your name  
And you're not looking for anything right now  
So I don't wanna come on strong  
But don't get me wrong  
Your eyes are so intimidating  
My heart is pounding but  
It's just a conversation  
No girl I'm not gonna waste it  
You don't know me  
I don't know you but I want to And I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just want to take your time I don't wanna wreck your Friday  
I ain't gonna waste my lines  
I don't have to take your heart  
I just wanna take your time And I know it starts with hello  
And the next thing you know you're trying to be nice  
And some guys getting too close  
Trying to pick you up  
Trying to get you drunk And I'm sure one of your friends is about to come over here  
'Cause she's supposed to save you from random guys  
That talk too much and wanna stay too long  
It's the same old song and dance but I think you know it well You could have rolled your eyes  
Told me to go to hell  
Could have walked away  
But you're still here  
And I'm still here  
Come on let's see where it goes I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just wanna take your time I don't have to meet your mother  
We don't have to cross that line  
I don't wanna steal your covers  
I just wanna take your time Woah, I don't wanna go home with you

Woah, I just wanna be alone with you I don't wanna steal your freedom  
I don't wanna change your mind  
I don't have to make you love me  
I just wanna take your time And I don't wanna blow your phone up  
I just wanna blow your mind  
I don't have to take your heart  
I just wanna take your time No, I ain't gotta call you baby  
And I ain't gotta call you mine  
I don't have to take your heart  
I just wanna take your time, ooh
