Enjoy the Rain

Good Tiger

Just one drink to get through the day.
Its getting darker and harder to stay in this place where the flowers aren't blooming.
I'm touch and go, can you relate?
Medicate before this session, I'll be late.
And I'm constantly fearing the plot that I'll take.
Why do I need all these bottles dry?
I dont want this!
The feeling of drowning in air! (I'm dry) Enjoy the rain while you can. (I'm dry) There'll be no water in hell!
(I'm dry) Enjoy the rain while you can!
And I'm constantly fearing the plot that I'll take.
Why do I need all these bottles dry?
I dont want...
Why do I need all these bottles dry?
I don't want...
I'm gonna try. (Control desires) I'm gonna try. (Control desires) I'm gonna try. (Control desires) I'm gonna try.
(Control desires) Swim up!
I need a little air, I can't breathe.
I need a better balance, swim up!
I need a little air, I can't breathe.
I need a better.
I need a better.
I need a better.
I need a better.
I need a better.
(Swim up, swim up)
