

# Not Over Yet (Perfecto Edit)

## Grace

Ooh, I'll live for you, I'd die for you  
Do what you want me to  
I'll cry for you my tears will show  
That I can't let you goIt's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
It's not over, not over, not over, not over yetDon't let me down  
Don't make a sound  
Don't throw it all away  
Remember me so tenderly  
Don't let it slip awayIt's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
It's not over, not over, not over, not over yet  
Ooh yeahI'll live for you, I'd die for you  
Do what you want me to  
I'll cry for you my tears will show  
That I can't let you goIt's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through youIt's not over, not over, not over, not over yet  
You still want me, don't you  
It's not over, not over, not over, not over yet  
'Cos I can see through you  
(Yeah)
