

There Goes My Everything (Re-Recorded)

Jack Greene

There goes my only possession, there goes my everything
I hear footsteps slowly walking as they gently walk
across a lonely floor
And a voice inside is softly saying, "Darling, this will be goodbye forever more"
There goes my reason for
living, there goes the one of my dreams
There goes my only possession, there goes my everything
As my memory turns back the pages, I can see the
happy years we had before,
Now the love that's kept this old heart beating
Has been shattered by the closing of a door
