

Only You

[Joshua Radin](#)

Looking from the window above
Its like a story of love
Can you hear me? Came back only yesterday
Who went further away
Want you near me All I needed was the love you gave
All I needed for another day
And all I ever knew, only you Sometimes when I think of her name
When its only a game and I need you
Listen to the words that you say
Its getting harder to stay when I need you All I needed was the love you gave
All I needed for another day
And all I ever knew, only you This is gonna take a long time
And I wonder whats mine
Cant take no more Wonder if youll understand
Its just the touch of your hand
Behind a closed door All I needed was the love you gave
All I needed for another day
And all I ever knew, only you
