Long Distance Lover

Mighty Blue Kings

Then you call me long distance from Memphis
When they said, it was you on the line
I said, don't come tomorrow 'cause I won't be here
You'd only be wastin' your timeI've been your long distance lover for far too long
But I'm not here to tell you who's right or who's wrong
But I know, I once loved you but somehow it seems
That it's all a part of a dreamSo don't call me again in the mornin'
'Cause I won't be changin' my mind
And the phone will be ringing in my empty room
I ain't leavin' nothin' behindI've been your long distance lover for far too long
The nights are so lonely can't keep holding on
And the miles are like mountains that hide you from me
And it's all a part of a dreamI've been your long distance lover for far too long
Can't hold on to feelings when you're so long gone
It all keeps on a changing and now it just means
That it's all a part of a dream
