Tonight

Kem

Every life needs another life And every heart, another And yours, just might, need mine.. tonightEvery day is a new day And every hour is ours to share And every heart needs another heart And yours just might need mine tonightbaby, babyYours might need mine, tonight, baby.Every one has heartache And everyone gets lonely And every love needs another love And yours just might need mine tonightYours just might need mine tonight- ohhhhEveryone needs someone to talk to Everyone needs, needs another life And yours just might need mine tonight.Yours just might
