

# Manners

## Arca

You don't just leave a girl without a clue  
Like it's up to you  
You're coming back  
You don't just walk all over broken hearts  
Tearing love apart  
You're coming back  
You're coming back  
Manners  
Take a second look and you'll see  
There is no one like me  
Manners  
You better reconsider  
'cause you will never do better  
There is no one like me  
You don't just walk away without a trace  
You can tell it to my face  
'cause you're coming back  
You don't just play around and get away  
Hear me when I say  
You're coming back  
Oh, you're coming back

Manners  
Take a second look and you'll see  
There is no one like me  
Manners  
You better reconsider  
'cause you will never do better  
There is no one like me  
There is no one like me  
Take a second look and you'll see  
There is no one like me  
Manners  
Take a second look and you'll see  
There is no one like me  
Manners  
You better reconsider  
'cause you will never do better  
There is no one like me

There is no one like me
