

Follow Me

Talisco

Whatever when you are, away.

Whatever when you are, away.I will catch you anywhere.Doesnt matter where you are, I see you watching me.

Listen to me my pretty, Hey follow me.

Follow me.Whatever when you are, away.

Whatever when you are, away.I will catch you anywhere.I imagine what I could do for you.

I'm insane, I'm in pain, I'm in love with you.Listen to me my pretty, Hey follow me.Whatever when you are, away.

Whatever when you are, away.I will catch you anywhere.

I will catch you anywhere.

I will catch you anywhere.Yeah follow me.

Yeah follow me.

Yeah follow me.
