She said, 9 to 5s the way to make a living

Quit your dreaming, stop your scheming.

He said, 95 pounds and you would be perfect

It would be worth it oooh and

You said, if you wanna get ahead

Come on over, share my bed,

I can make it happen

They said, you gotta watch what you say

Choose your words carefully

But I wont listen, cuz IChorus:

Do what I wanna do

Say what I wanna say

Play how I wanna play

I am the Queen of me (X2)V2

Sticks and stones may break my bones

But words will never hurt me

Ive heard all the rumors

They have spread about me

Not conforming uh-oh and

Ive seen what can happen to your dreams

If you follow the main stream

Without question

Ive gone through out much of my life

Listening to the voice inside

And it tells me that I gotta doBridge:

I gotta do what I please

I aint gonna hurt nobody

Cuz I live consciously

I am the Queen of me

And I live my life free
