Love And Unity

Michael Prophet

Some a take money and make big enemies
While i man take love and make good friend
Some are stick in pocket
the other are flicking ratchet
but i man is here to teach you what's right from wrong.
Lets live in love and unity
for I and I wanted to be free
lets live in love and one I-nity
For anything that you do
Jah jah always see it
Lets live in love and one harmony
Some are stick in pocket
the other are flicking ratchet
but i man is here to teach you what's right from wrong.
Listen me carefully lets live in love and I-nity
for anything you do Jah see
a one blood family!
