

LP Retreat

Luscious Jackson

You see me spinning records
It makes me high, get high
You see me spinning records
It makes me high, get high You see me spinning records
It makes me high, get high
I've got thirty-three's and forty-five's You see me spinning records
(Let's play)
You see me spinning records
(Mr. DJ) You see me spinning records
(Let's play)
You see me spinning records
(Oh yeah) You see me spinning records
(Let's play)
It makes me high, yeah
You see me spinning records
It makes me high, yeah You see me spinning records
(Let's play)
It makes me high
I've got thirty-three's and forty-five's I'm escaping to vinyl shores because I said so
I'll be far complete, I'll be far, LP
I'll be far, retreat, I'll be far gone Forget how the culture we come from divide us
Forget how the culture we come from divide us
This is the culture of dusty old vinyl, yeah
This is the tribal record of love, love I'm escaping to vinyl shores because I said so
I'll be far complete, I'll be far, LP
I'll be far, retreat, I'll be far gone
I'll be far gone, be far gone, be far gone, I'll be far gone Put the needle on the record
Put the needle on the record
Put the needle on the record
Put the needle on the record Put the needle on the record
Put the needle on the record
Put the needle on the record
Put the needle on the record I'm escaping to vinyl shores because I said so
I'll be far complete, I'll be far, LP
I'll be far, retreat, I'll be far gone
I'll be far gone, be far gone, be far gone, I'll be far gone Put the needle on the record Mr. DJ, Mr. DJ, Mr. DJ,
Mr. DJ You can't kill the culture, woah woah
On the subway, on the subway, on
On the subway, on the subway
