

# If You Go Away

Glen Campbell

If you go away on this summer day  
Then you might as well take the sun away  
All the birds that flew in the summer sky  
When our love was new and our hearts were high  
When the day was young and the nights were long  
And the moon stood still for the night bird's song  
If you go away, if you go away, if you go away  
But if you'll stay I'll make you a day  
Like no day has been or will be again  
We'll sail the sun, we'll glide on the rain  
We'll talk to the trees and worship the wind  
Then if you go I'll understand  
Leave me just enough love to fill up my hand  
If you go away, if you go away, if you go away  
If you go away as I know you will  
You must tell the world to stop turning  
Till you return again if you ever do  
For what good is love without loving you  
Can I tell you now as you turn to go  
I'll be dying slow to the next hello  
If you go away, if you go away, if you go away  
If you go away as I know you must  
There'll be nothing left in this world to trust  
Just an empty room full of empty space  
Like the empty look I see on your face  
I have been the shadow of your shadow  
If I thought it might have kept me by your side  
If you go away, if you go away, if you go away  
But if you'll stay, I'll make you a night  
Like no night has been or will be again  
I'll sail on your smile, I'll glide on your touch  
I'll talk to your eyes that I love so much  
But if you go I know I will cry  
And all the good is gone from the words goodbye  
If you go away, if you go away, if you go away  
Please don't go away
