

You Said

Grits

It was you, it was me
It was love, it was real
We would touch, we would kiss
And we'd love the way it feel
It was time spent together
Leaving all the world behind
And I thought it would last
But only time would tell, so I waited on time
How could you be so selfish?
Never once did you compromise
(No)
And you wonder why I'm trippin'
Shake my head and close my eyes
(Close me eyes, baby)
How could you never listen
When I try to talk to you
(Talk to you, talk to you)
And you knew something was missing
When I'm running from the truth
Oh baby you said
(You would never leave me)
Said you
(Always be there for me)
I can't
(Understand the reason)
Why you?
(Why you want to play me?)
(Oh baby)
You said
(You would never leave me)
Said you
(Always be there for me)
I can't
(Understand the reason)
Why you?
(Why you want to play me?)
Remember when, we would chill
You would tell me how you feel
You wanted me, you needed me

The only one to ease your mind
I was caught by surprise
To hear you say you want to leave
But it's cool if you gotta go
Then go ahead and leave, I'm gonna be alright
How could you be so selfish?
Never once did you compromise
(Girl, tell me why?)
And you wonder why I'm trippin'
Shake my head and close my eyes
(Shake my head and close my eyes)
How could you never listen?
When I try to talk to you
(Oh when I try to talk to you)
And you knew something was missing
When I'm running from the truth
(Baby don't run away)
(Baby you said, you will never be)
Remembered you said that you'll
(Always be there for me)
I can't
(Understand the reason)
I can't understand your way
(Why you want to play me?)
Baby you said
(You said)
You would never leave, no
(Always be there for me)
Baby, I can't
(Understand the reason)
Why you want to play me?
Oh baby you said
That you would always be
(Baby I can't)
Understand the reason
(Understand your way)
Why you want to play me?
Baby, you said
(You would never leave me)
Said you, always be there for me
I can't
(Understand the reason)
The reason why you want to play me?
You used to be in love and you used to be so good
You used to drive me so crazy

Now is the time when you were loving me like you should
Back in the day you were my baby
(You used to be in love)
You used to be in love and you used to be so good
You used to drive me so crazy
(Why, why you drive me so crazy?)
Now is the time when you were loving me like you should
Back in the day you were my baby
Baby
(You said)
You said, you would never leave me
(Said you)
Said you always be there for me
(I can't, understand the reason)
I can't, understand your way
(Why you want to play me?)
Baby, you said, you would never leave me
(Said you)
Said you'll always be right there
(I can't understand the reason)
I can't understand it
(Why you want to play me?)
Baby, you said
(You would never leave me)
Said you
(Always there for me)
I can't
(Understand the reason)
Why you?
(Why you want to play me?)
You said
(You would never leave me)
Said you'll
(Always be right there)
I can't
(Understand the reason)
Why you?
(Why you want to play me?)
You said
(You would never leave me)
