Mighty Wings

Ivory Night

It's just a ball of dust
Underneath my feet
It rolls around the sun
Doesn't mean that much to meI take a chance on the edge of life
Just like all the rest
I look inside and dig it out
'Cause there's no points for second bestThere's a raging fire in my heart tonight
Growing higher and higher in my soul
There's a raging fire in the sky tonight
I want to ride on the silver dove far into the nightTill I make you take me on your mighty wings
Make you take me on your mighty wings across the sky
Take me on your mighty wings
Take me on your mighty wings tonightWith just a little luck
A little cold blue steel
I cut the night like a razor blade
Till I feel the way I wanna feelThere's a raging fire in my heart tonight
Growing higher and higher in my soul
There's a raging fire in the sky tonight
I want to ride on the silver dove far into the nightTill I make you take me on your mighty wings
Make you take me on your mighty wings across the sky
Take me on your mighty wings
Take me on your mighty wings tonightI wanna make you take me on your mighty wings
Make you take me on your mighty wings across the sky
Take me on your mighty wings
Take me on your mighty wings tonight
On your mighty wings
Make you take me on your mighty wings across the sky
