

# As Time Goes By

**Dennis Bono**

This day and age we're living in  
Gives cause for apprehension  
With speed and new invention  
And things like third dimension

Yet we get a trifle weary  
With Mr. Einstein's theory  
So we must get down to earth at times  
Relax relieve the tension  
And no matter what the progress  
Or what may yet be proved  
The simple facts of life are such  
They cannot be removed

You must remember this  
A kiss is still a kiss,  
A sigh is just a sigh  
The fundamental things apply  
As time goes by

And when two lovers woo  
They still say, "I love you"  
On that you can rely  
No matter what the future brings  
As time goes by

Moonlight and love songs  
Never out of date  
Hearts full of passion  
Jealousy and hate  
Woman needs man  
And man must have his mate  
That no one can deny

Well, it's still the same old story  
A fight for love and glory  
A case of do or die  
The world will always welcome lovers  
As time goes by

(Queen Latifah) Times don't change, right?

(Rod Stewart) Sing it to me, Latifah

Oh, I'm singing it to you right now

Cause we're talking about

Moonlight and love songs

Never out of date

Hearts full of passion

Jealousy and hate

Woman needs man

And man must have his mate

That no one can deny

Well, it's still the same old story

A fight for love and glory

A case of do or die

The world will always welcome lovers

As time goes by

As time goes by

Time goes by
