

No Big Deal (12" Remix)

Love and Rockets

You set me up again, you make me lose my friends
I just don't know what I'm gonna do with you
Your feet are still on the ground, so you put me down
I just don't know what I'm gonna do with you I don't feel, you're no big deal
No big deal I got into a fight, got into it tonight
I just don't know what I'm gonna do with you
You talk much too loud, when you put me down
I just don't know what I'm gonna do with you I don't feel, you're no big deal You know you broke my heart and
that was just the start
I just don't know what I'm gonna do with you
You know you broke my heart and that was just the start
I know just what I should do for you I tell you, I don't feel
You're no big deal, no big deal
